1. Ashoka University (International foundation for Research and Foundation)

We partnered with Ashoka University, an institute which is a pioneer in providing education at par with the best in the world, with an aim to provide financial support to deserving undergraduate and postgraduate students from economically weak backgrounds to ensure their access to high quality education. We are confident to see this partnership grow stronger in the years to come. The aim at Ashoka is to help students become well-rounded individuals who can think critically about issues from multiple perspectives, communicate effectively and become leaders with a commitment to public service. The students receive a world-class interdisciplinary education through undergraduate and post-graduate programs led by internationally renowned faculty. Through our partnership with Ashoka, we endeavor to spark the desire for learning and knowledge at every stage, and a willingness to build a society that is desired by all.

Activities to be undertaken:

- Providing financial aid to Young India Fellowship students at Ashoka University.

2. The I Love Foundation

The I Love Foundation is an alliance of local people who come together to solve the problems of their communities by crowd-pooling intent and resources. Started in 2013, I Love Jaisalmer is one of the most active units of The I Love Foundation where over 60+ community projects have been successfully launched and executed.

Activities to be undertaken:

- Environment Regeneration and Water Resilience.
- Clean Drinking Water and Healthcare.
- Education and Empowerment.
- Promoting Art and Culture.

3. PM Cares Fund

Keeping in mind the need for having a dedicated fund with the primary objective of dealing with any kind of emergency or distress situation, like posed by the COVID-19 pandemic, and to provide relief to the affected, a public charitable trust under the name of 'Prime Minister's Citizen Assistance and Relief in Emergency Situations Fund (PM CARES Fund)' has been set up. PM CARES Fund has been registered as a Public Charitable Trust. The fund consists entirely of voluntary contributions from individuals/organizations and does not get any budgetary support. The fund will be utilised in meeting the objectives as stated above. Donations to PM CARES Fund would qualify for 80G benefits for 100% exemption under the Income Tax Act, 1961. Donations to PM CARES Fund will also qualify to be counted as Corporate Social Responsibility (CSR) expenditure under the Companies Act, 2013.

We will continue to support such initiatives to enhance the well-being of communities at large. We endeavor to be active members of the society we live in, to which end we provide support through participation in volunteering initiatives and not just through financial support.
